#### **Consent To Treatment & Financial Policies**

Clinician Signature:

For patients with private insurance: I understand that payment for service is due at the time of service. I am responsible for seeking my own reimbursement from my insurance company, flexible spending account or health savings account. I am responsible for understanding the limits and requirements of my insurance policy including need for referrals, prescriptions, deductible and copayments. I agree that Professional Physical Therapy & Training, LLC may discuss my case with my physician or other practitioner for the purpose of my care only. It is my right as a patient to understand the treatment, which I am participating in and can refuse participation at any time. By initialing and signing this form, I consent to physical therapy treatment.

For patients with Medicare insurance: I request that payment of authorized benefits be paid on my behalf to Professional Physical Therapy & Training, LLC for services furnished to me by the Professional Physical Therapy & Training, LLC. I authorize any holder with medical information about me to release to Medicare or other insurance any information needed to determine these benefits payable for related services. I understand that Professional Physical Therapy & Training, LLC accepts assignment of Medicare, which pays 80% of the allowable charges for service. I will be responsible for the remaining 20 percent. I agree that Professional Physical Therapy & Training, LLC may discuss my case with my physician or other practitioner for the purpose of my care only. It is my right as a patient to understand the treatment, which I am participating in and can refuse participation at any time. By initialing and signing this form, I consent to physical therapy treatment.

consent to physical therapy treatment.  Initial
Cancellation Policy
Professional Physical Therapy and Training strives to provide its patients with exceptional care. All our sessions are one hour in length. Our therapists spend that time one-on-one with each client. Not attending your appointment inhibits our ability to help you achieve your goals and adversely affects our ability to function financially. By initialing you understand that you MAY be charged half of the visit fee for cancellations without twenty-four hours notice, or you WILL be charged the entire visit fee for an appointment no show.  Initial
Graston Technique Informed Consent
All components of the Graston Technique have been explained to me. I understand the risks of the procedure and give my full consent for treatment.
Initial
Dry Needling Consent to Treat
I have read the patient information and consent to having the procedure performed on me. I understand that this procedure is <i>not acupuncture</i> .
Initial
By signing below I hereby consent to the above and allow Professional Physical Therapy and Training, LLC to use and disclose my health information for purposes of treating me, obtaining payment for services rendered to me, and conducting healthcare operations.
